BERLIN

July 13–31, led by Leonid Dolganovsky with Irina Volodarska as his chief steward. Aaron Lewin, leader of our new Berlin branch, will head the Israeli outreach team.

Pray for both of these witnessing campaigns that God gives:

- wisdom and creativity to engage people in gospel conversations
- spiritual and physical health and endurance, and a special energizing joy in serving Him
- divine appointments so that campaigners interact with those whose hearts God is preparing
- humility and courage in the face of opposition
- unity among the believers and compassion for unbelievers in these cities
- encounters with many Jewish people who are willing to receive further ministry from our branch missionaries
- for Berlin, especially, a good strategy and effective witness for the large community of Israelis there

ODESSA

Leonid Vasserman will lead a witnessing campaign commemorating the 25th anniversary of Jews for Jesus in the former Soviet Union. Many details were still in flux, including dates, when we put this bulletin together.

Please pray for:

- God's blessing on the street evangelism, as well as His blessing on the visits and phone calls our staff and volunteers will be making
- Safety (the war in Ukraine continues to influence life in the country)
- Good partnerships with local congregations
- Revival in the area

MASSAH

Giselle Le'Aupepe Bruce is leading a group of young Jewish adults for Jesus through an adventurous summer of discipleship/evangelism. They are currently in Israel and will be moving on to India, where they will meet and share with Israeli trekkers.

Please pray for:

- great team dynamics, that they will bond well and be excited to grow and serve together
- the team's spiritual protection and effectiveness
- health, physical and spiritual, especially while traveling in India
- divine appointments with Israelis who will be truly interested in hearing about Yeshua (Jesus)
- ministry and friendship that will endure past the summer

CHILDREN AND YOUTH MINISTRY

Our camp programs for children and teens in Germany, Israel and of course in the U.S. (West, Midwest and East) began last month and will run through August.

Please pray that God will speak to kids' hearts:

- that those who already have faith in Jesus will be strengthened, encouraged and grounded in Him
- that those who don't yet know Yeshua (Jesus) will have their eyes and hearts opened to receive Him
- that they will have fun and know they are loved and cared for by God, through the ministry of our staff

Halutzim, our short-term mission for high schoolers, is taking place the last two weeks of July. The kids will be part of our outreach in New York City, Washington, DC and Philadelphia, and there will also be times for them to worship and have fun together. Pray that the Lord will strengthen their faith, and give them joy as they step out to share that faith with others.
